

## **The summary of the audit report on forecasting and utilization of funds allocated to forest rehabilitation activities from the State Budget**

A compliance audit of assigned use of funds allocated from the State Budget to the Ministry of Ecology and Natural Resources of the Republic of Azerbaijan was conducted to check conformity with the relevant legislation. It was identified that although the budget resources allocated to this area had been growing in recent years, more resources were required to strengthen the logistics in order to solve the existing problems, as well as to plant new forests and restore and protect the existing ones.
