

AFROSAI WGEA Progress report

1. AFROSAI WGEA will form the Steering Committee in the region in order to comply with the roles and responsibilities of the coordinator as stipulated in the INTOSAI WGEA Roles and Responsibilities document.
2. Tanzania has requested each AFROSAI WGEA member state to furnish them with the status of work in their SAI's for reporting in the next SC meeting.
3. The Chair of the AFROSAI WGEA is proposing a joint Environmental Audit on Lake Victoria to the three East African states.
