

# PROGRESS REPORT FOR THE AFROSAI- WGEA DURING THE PERIOD JULY 2008- JUNE 2009-08-2009

---

We hereby present the progress work for the above period.

## **Forming the steering committee**

□ The AFROSAI –RWGEA coordinator contacted the member SAIs, informing to involve them to be members of the steering committee

### Response

- Rwanda – responded positively
- South Africa – SAI (confirmed to cooperate but not as member)

# JOINT ENVIRONMENTAL AUDIT

---

- ❑ Joint audit on environmental audit of lake Victoria.
  - ❑ A proposed audit questionnaire has been circulated to the member states within lake Victoria basin i.e. Tanzania, Kenya, Uganda, Rwanda and Burundi
  - ❑ So far Rwanda SAI is readily to engage in the audit
-

## TRAINING OF BIODIVERSITY

---

Effort is being made for course to start this year. As It was reminded that the region was lucky to have capable trainers on environmental audit from both IDI and AFROSAI-E.

---

# ENVIRONMENTAL AUDITS PROGRESS REPORT

---

- The survey was circulated to SAI, in the region to obtain the status of EA in the region.
  - South Africa has currently carrying one audit on Abandoned mining. the report will be tabled in September -2009
  - Tanzania is going to table an environmental audit in solid waste managment in November-2009
  - Still we are waiting response from other SAI in the region
-

# WAY FORWARD

---

Mean while we are going to take opportunity meet all the AFROSA-WGEA delegate present at this meeting to make sure that we make progress in this regard
